

Dear Customers and Friends,

We extend our warmest regards from the entire GTBunkers team.

This letter is to inform you about a significant strategic change we are implementing within our corporate group.

With the primary objective of providing more focused and efficient service, aligned with the specific needs of our customers in the region, effective May 15, 2025, GTBunkers will withdraw from the Panamanian marine market in order to concentrate fully on operations in Guatemala (Puerto Quetzal, Puerto Santo Tomás de Castilla, and Puerto Barrios), and in El Salvador (Puerto Acajutla and Puerto La Unión).

Our aim is to strengthen our capabilities, perform more efficiently in the markets where we can be more competitive and efficient, and uphold the excellence and highest standards that have always distinguished us.

We assure you that this transition will not negatively impact the quality of the products and services you receive. On the contrary, we believe it will enable us to deliver even more personalized and specialized service.

We deeply appreciate the trust you have placed in us over the years and recognize that you are the primary reason for our evolution and growth. We will be pleased to address any questions or concerns you may have regarding this change. Please feel free to contact our International Sales Manager, Vivian Santos, at vsantos@gtglobalservices.com or reach out to our team at bunkers@gtglobalservices.com.

Sincerely,

GTBunkers Team

Edgar Rolando Garzaro B.
